

stars China symposium 2019
China's Moment of Truth - Thinking Big and Moving Fast
12 - 16 May 2019
Chongqing, Crowne Plaza and Chengdu, Shangri-La

Objectives:

- Broaden the horizon to better understand major global and Chinese trends which will impact business and society over the next three to five years, like G2, the Belt and Road Initiative, Big Data, Artificial Intelligence and Leading China's Digital Disruption
- Get on-the-ground impressions of the business and investment opportunities in Southwest China through visits and discussions with a range of companies in Chongqing and Chengdu from local start-ups to global champions
- Engage in interdisciplinary and intercultural dialogue to share experiences with peers across industries and from around the world
- Contribute to the personal development of better "Leaders of the Next Generation" to drive responsible and sustainable actions
